# Community centres are the heart of our communities.

They bring people together to connect, learn and contribute to their local community through social, educational, recreational and support activities.

At Dandenong Community & Learning Centre,  
we offer a range of services,  
including:

# English as an Additional Language classes

- Short Courses
- Level 1 & 2 EAL
- Literacy
- Conversation Classes

Courses for beginners that focus on speaking, reading and writing. Our classes suit those with little to no English, those with intermediate English, and those who wish to improve their spoken, reading and written English.

# Computer classes

- Short Courses
- Computers supplied
- Beginner and Intermediate classes

Introductory courses for those that are new to computers.

Beginner classes focus on the Microsoft Office Suite, the Internet, and sending and receiving emails.

Intermediate classes build on existing computer skills, expanding on your Microsoft Office skills and use of the internet.

# Sewing classes

- Short Courses
- Sewing Machines supplied
- Beginner Level

Learn about hand-sewing techniques, using a sewing machine and working with different fabrics as you work on simple sewing projects.

# Woodworking classes

Get creative and work on your own small project with the help of our woodworking teachers.

Work with hand tools to create a small project of your choice. Learn basic construction skills, computer aided woodcarving, and safety skills.

- Short courses
- Construction classes
- Computerised Woodcarving classes

# Cooking/Hospitality classes

- Short Courses
- EAL-focused class
- Cooking classes
- Sweets and Snacks class
- Community Lunch

Learn to work as a team in a food-preparation environment! Classes focus on safe food handling, food preparation techniques, and numeracy skills.

# Drawing and Painting

- Short Course
- Foundational drawing
- Still Life
- Painting
- Collage

Discover drawing and painting!  
Learn foundations of visual art,  
experiment and plan with collage, and  
paint a variety of subjects.

# Introduction to Aged Care classes

- Short Courses
- Introductory Employment Skills program

Learn terminology, skills and safe work practices to prepare you for work in the Aged Care sector.

You will learn about individual care plans, working with carers and with diverse people.

# Prepare for Employment classes

- Short Courses
- Introductory Employment Skills program

Learn skills to find employment or volunteering opportunities, overcome barriers and succeed in employment once gained.

# Coffee Skills classes

- Short Courses
- Beginner classes
- Introductory Employment Skills program

Learn skills including extracting coffee, steaming and stretching milk, and pouring techniques. Work in a kitchen environment safely and effectively while learning practical skills.

# Community Garden

A communal garden for all community members to learn and enjoy horticulture. Come and plant, dig, water and appreciate the outdoors.

Group volunteering sessions are available.

# Room to Meet

Social or Special Interest groups within the community can use our picturesque Mossenton-Brown room to hold small group meetings of up to eight people.

The room, located at the front of our King St building, is bright and beautiful, with natural light, heritage fittings and stained glass windows.

# External programs and classes

Outside our own locations, Dandenong Community and Learning Centre's team of teachers and volunteers run classes and programs out in the community.

If your organisation may wish to explore running a class or program with us, please speak to our representative after the presentation.

We would love to work with you!

# Thank you for watching!
